WHITEPAPER

REVOLUTIONIZING THE MEMECONOMY WITH HUMOR AND CURRENCY

In the age of the internet and cryptocurrencies, a new digital asset has emerged that aims to bring humor and currency together in a unique and entertaining way.

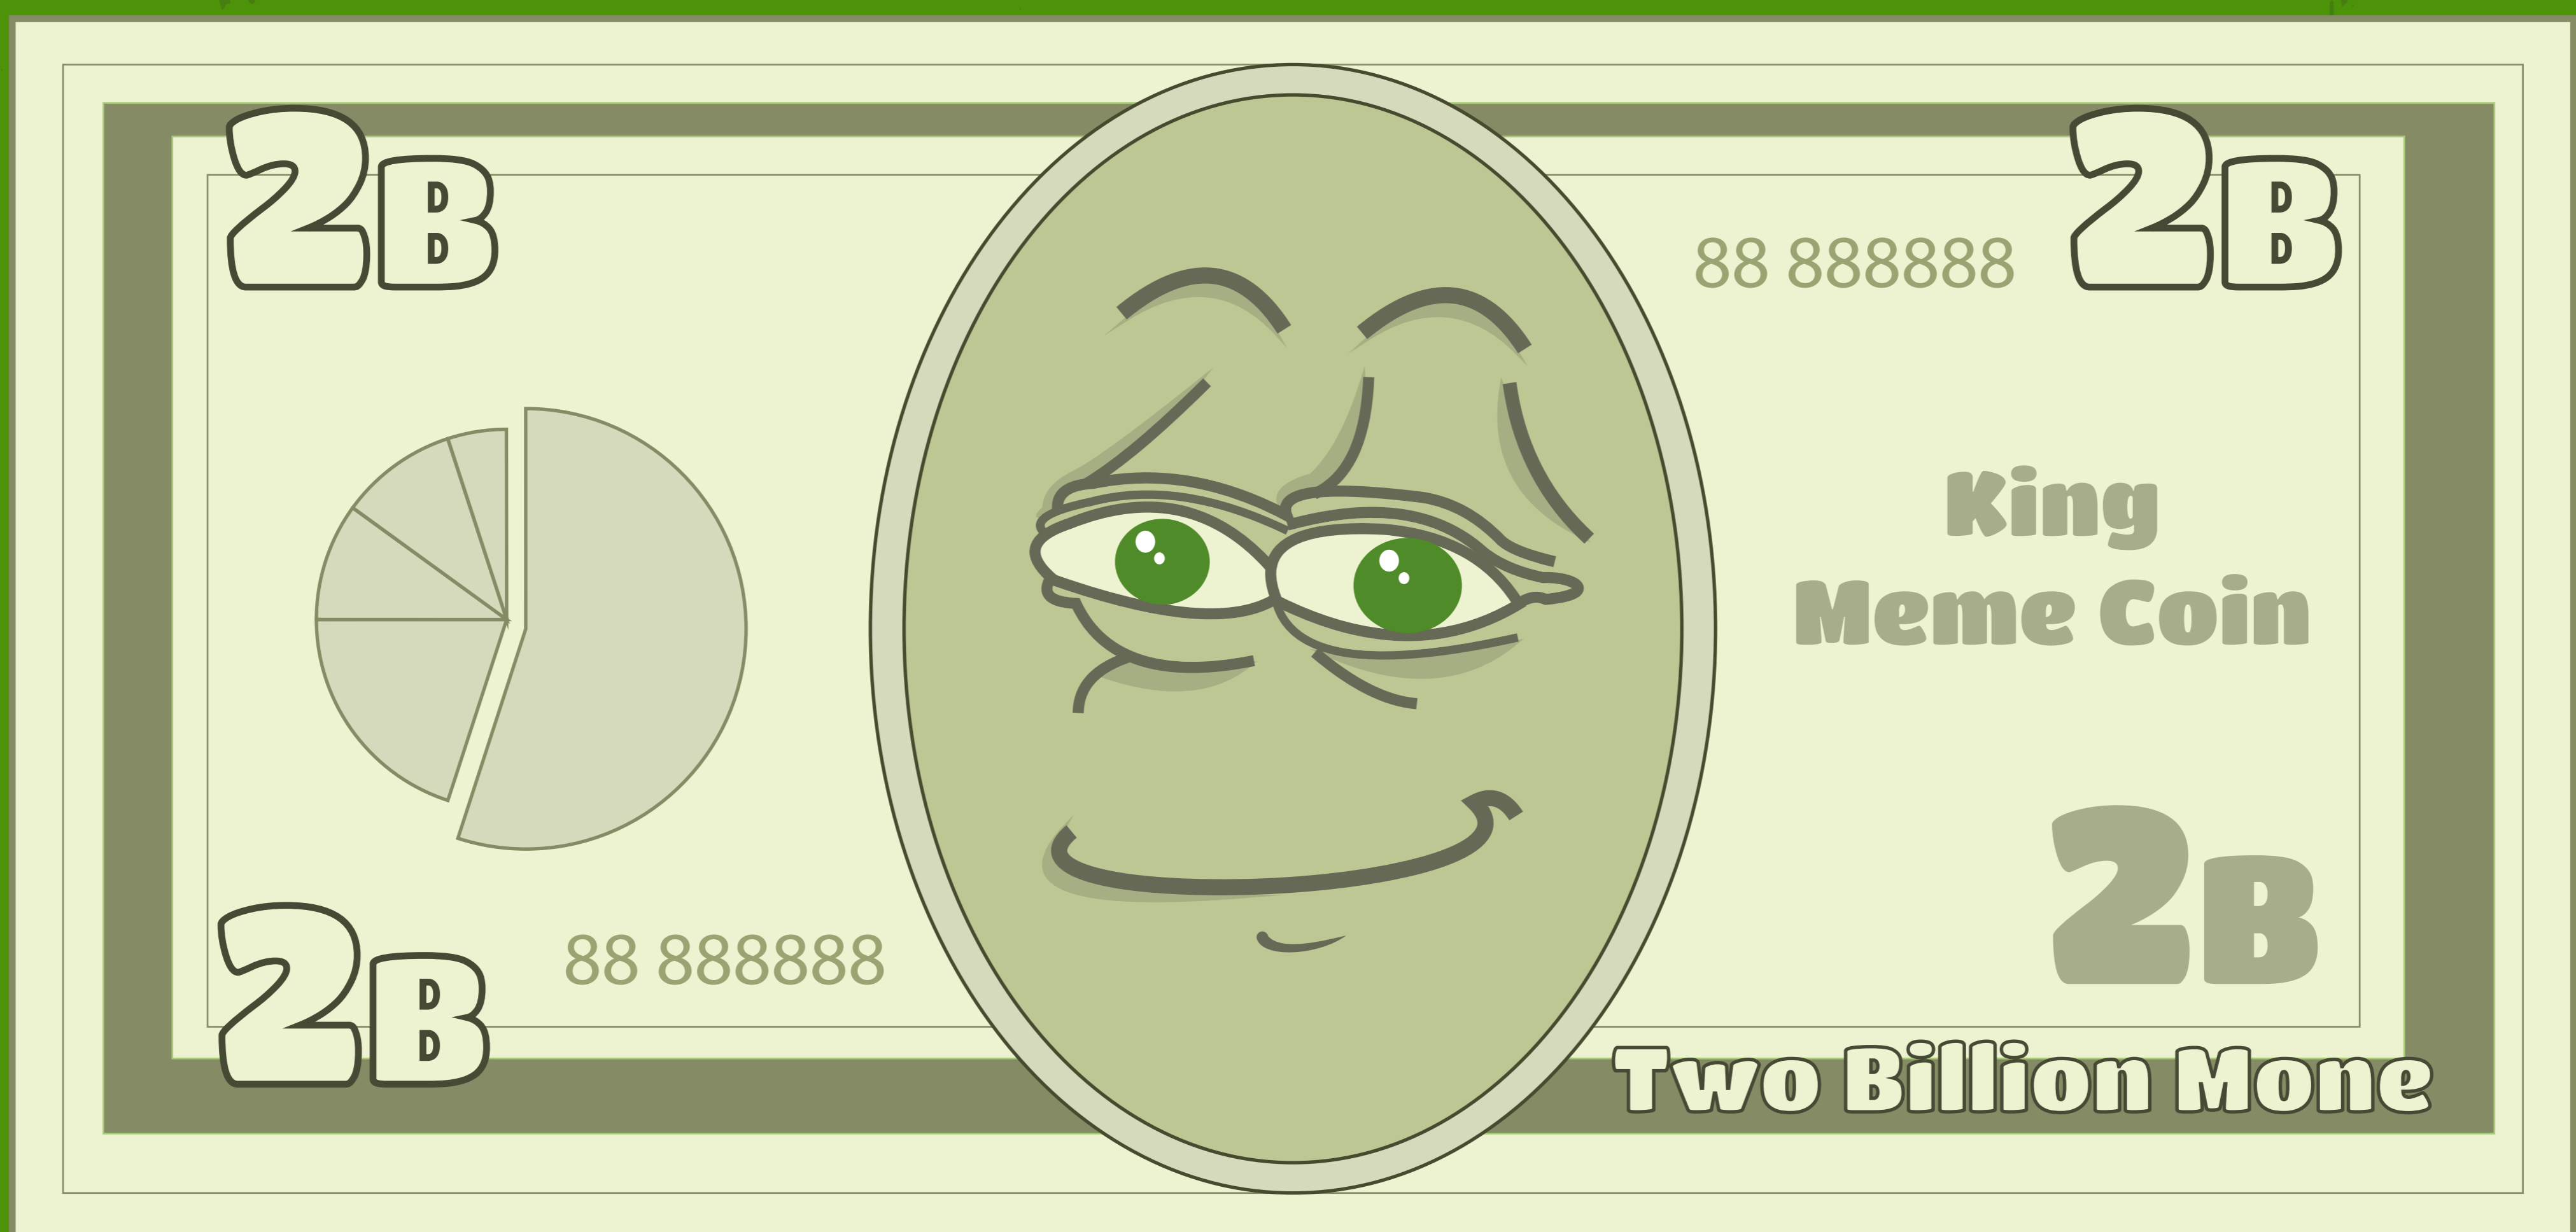

Welcome to the world of Meme Dollar Token (MONE), where memes meet money, and laughter is the ultimate currency.

1. INTRODUCTION

The Meme Dollar Token (MONE) is a groundbreaking digital token that combines the power of humor, creativity, and blockchain technology. Inspired by the beloved dollar bill, MONE brings a fresh perspective to the world of cryptocurrencies, offering a playful and engaging platform for users to exchange value while sharing a good laugh.

2. TOKENOMICS

MONE operates on a highly efficient and secure Ethereum blockchain infrastructure. Here are the key tokenomics of MONE MemeCoin Dollar:

Rewards 5% CEX 10% DEX 10% Marketing 20% Presale 55%

Total Supply: 2,000,000,000 MONE

Symbol: MONE

Decimals: 18

3 MONE BONUSES

HODLers of MONE are in for a treat. The longer you hold your MONE, the more "LolLoyalty" you accumulate. LolLoyalty grants you access to exclusive meme-themed NFTs, early meme trends, and special meme events. Your patience is rewarded with laughter!

3.1 MONE COMMUNITY-LAUGHTER CONSENSUS (CLC)

MONE's governance is built on the principle of humor and community consensus. Through the CLC protocol, users vote on the funniest memes, which, in turn, receive additional MONE rewards. The funniest memes are determined by the collective laughter of the community.

4 MONE NFT MARKETPLACE

The MONE Meme Coin Dollar Marketplace is where users can buy and sell meme-related merchandise, collectibles, and limited-edition NFTs that capture the essence of internet humor.

4.1 TIPPING AND DONATIONS

Spread the laughter by tipping your favorite meme creators in MONE or donate to meme charities that strive to make the world a funnier place.
